

Act Out! In Paris [3] - Fight the System, from Outside & Within

Mon, 12/14/2015 - by [Eleanor Goldfield](#)

Tara DePorte is an expert at bringing people together. In fact, her organization, Human Impacts Institute, prides itself on joining artists with scientists to emotionalize the facts of climate change. This is but one of the projects she's working on, both inside and outside the system, in her fight for climate justice.
